## DIRECTOR'S REPORT 總監報告

#### **Director's Report 2009**

I am happy to write about the achievements and the progress we have made this past year.

#### "Forward Together" Befrienders Worldwide Conference

Following fast on the heels of last year's AGM, ten Samaritans attended the Befrienders Worldwide Conference entitled "Forward Together" in Jomtien, Thailand from 25<sup>th</sup> to 28<sup>th</sup> October. The conference was co-hosted by Befrienders Worldwide Steering Group and Samaritans of Thailand.

Many informative, educational and practical workshops were presented by various Samaritans from around the Asia region. We too gave a presentation on our Youth Suicide Prevention Programme. It was a wonderful opportunity to meet our fellow volunteers from 17 countries around the region. We were honoured to have our founder's daughter, Felicity Varah Harding, with us.

Samaritans participated in this conference which took place in Hong Kong. Co-sponsored by the World Health Organisation and co-organised by the International Association for Suicide Prevention (IASP) and the University of Hong Kong, the event was held from 31st October to 3rd November at the Hong Kong Convention and Exhibition Centre. Twelve Hong Kong volunteers attended. Once again we presented our Youth Suicide Prevention Programme which aims, amongst other things, to promote peer support.

The two conferences were very useful as they focussed on different aspects of our suicide prevention hotline service. The conference in Thailand concentrated on how we, as Samaritan branches, could expand and enhance our services. The conference in Hong Kong was on a more academic level - the main theme of which was "Suicide Research and Prevention in Times of Rapid Change in the Asia Pacific Region: Opportunities and Challenges". The speakers spoke about looking at practical ways in which suicide prevention can be achieved. There were many exceptional speakers who presented some wonderful ideas. For further information, please visit www.csrp.hku.hk.

#### Highlights

On 18<sup>th</sup> May we were happy to welcome our Patron, Mrs. Selina Tsang, to our Centre again. Thirty volunteers were on hand to greet her and she had a few words with everyone. We gave a short presentation about our work and what we had achieved since her last visit in 2006. It was a relaxed visit and Mrs. Tsang showed how much she understood about our work.

#### **Donations and Support**

We are very grateful to all the donors, especially those who chose us as their designated charity. Operation Santa Claus granted us much needed funds to allow us to install a new telephone system. The additional funds we received enabled us to repaint the KMB sponsored bus that operates in the New Territories. It also paid for the printing of the publicity material for our Support Group for People Bereaved by Suicide.

The Sedan Chair Charities fund allowed us to implement our Secret Postcard Project. This is where teens from less privileged backgrounds can write their secret thoughts and feelings on a postcard and send them to us. A team of special volunteers will write back through email or by letter to encourage them to explore and talk more about feelings they cannot share with others.

We were given seven boxes of brand new books which led to the challenging job of sorting and cataloguing the new ones and disposing of the old stock. This I know took a lot of time and effort and my thanks go to those volunteers who worked tirelessly to have the library ready in time for our Patron's visit.

#### The Samaritans New Logo

In keeping with our commitment to serve the people of Hong Kong, we launched our new bilingual logo.

#### **New Initiatives**

Our Chinese email language service was launched in October 2008. Up to the end of March 2009, only a few emails had been received. However, as this service becomes more widely publicised, we hope that more Chinese people will make use of it.

The Secret Postcard project was started as a way to reach young people from deprived areas so that they could write their secret and perhaps desperate feelings in complete confidence. As already mentioned, our dedicated Chinese email team will write to them to explore feelings and thoughts that they probably would not be able to share with anyone else. It is frequently assumed that they have someone they can trust to talk to, but often this is not the case. And sometimes the people one would think they could talk to are the problem. Even very young children have suicidal thoughts and with no outlet the consequences could be unthinkable. We are happy that four schools have responded positively - 1,200 postcards were sent out by the end of June and we are now receiving and replying to the Secret Postcards.

With input from Papyrus, which is a voluntary UK organisation committed to the prevention of young suicide and the promotion of mental health and emotional wellbeing, we have designed and written a pamphlet specifically for the youth of Hong Kong. This leaflet addresses the problems which a multicultural society can face and we will distribute it in the coming academic year.

#### Support Group for People Bereaved by Suicide

Another important new initiative is the setting up of an English speaking support group for People Bereaved by Suicide (PBS). It was started in March and meets on the first Wednesday of every month. We aim to provide a safe, confidential environment in which bereaved people can share their experiences and feelings, thus giving and gaining support from each other. No commitment is required.

#### Youth Suicide Prevention Programme (YSPP)

In collaboration with KELY Support Group and Outward Bound HK, 18 students were recruited in December 2008 from five International Schools. The course comprised a week with Outward Bound HK during which the students learned team building and leadership skills, as well as having fun kayaking. Eight workshops were on topics such as suicide and suicide prevention, active listening and how to recognise the signs of depression. Graduates also made a film video demonstrating what they had learned from the course. The presentation has been shown in many schools

including King George V and The Australian International School HK. I have seen it and was very impressed by the energy, ingenuity and quality of this well crafted film. Thanks go to all the dedicated volunteers who made this possible.

#### Training and Outreach

We continue to run three training courses a year comprising seven sessions with a total of 25 hours each. We welcome our new recruits and sometimes say sad farewells when for various reasons our established volunteers have to leave us.

I am happy to report that we now have a core team of outreach volunteers who go into schools and centres for the elderly to teach listening skills and how to recognise the signs and symptoms of depression.

#### **Publicity and Newsletter**

New posters were designed to promote our hotline and email services. These posters show three sets of people who are "Squashed" with the words in Chinese and English "Talk to us before the pressure becomes too much for words". Permission was given for us to send this material to all public libraries, public housing estates and hospitals.

One of our volunteers shared his story on Commercial Radio HK (CRHK) to say what prompted him to become a Samaritan volunteer. Many listeners were moved by his story and as a result contacted our Hotline. Other volunteers have given interviews to the press and we have tried energetically to increase awareness in the community.

We celebrate the success of our Newsletter and all the hard work of our editorial team and acknowledge their commitment to getting it to press every 3 months. I would also like to thank the family of Mr. Young Yee Yao who continue to support us by funding the necessary money to get this into the post boxes of our citizens.

Grateful thanks go to the many Friends of Samaritans who run marathons and walkathons wearing our orange running gear to advertise our hotline number and to raise funds.

#### Visits and Activities for Sams and Friends

Samaritans Hong Kong was also pleased to welcome Tan Yoke-Yin, our regional representative from Singapore, whilst she was on a visit to Hong Kong in December.

In January, we had a Heritage walk to Lung Yeuk Tau Heritage in the New Territories. Volunteers, their families and friends visited the Tang Chung Ling Ancestral Hall, Tin Hau Temple and the fort at Lo Wai.

In June, a volunteer specially arranged for an English speaking docent to take volunteers, family and friends to see the Louis Vuitton Exhibition - A Passion for Creation, at The Hong Kong Museum of Art.

In March, we were pleased to welcome 15 members of our sister organisation, The Samaritan Befrienders Hong Kong, for a spirited and informative exchange between both organisations.

Our volunteers have become quite social and it is encouraging to see that Samaritans are keen to meet up "out of office hours". Two Happy Hour gatherings at the Fringe Club have already taken place and this popular get-together is set to continue every two months or so.

#### 35th Anniversary Celebration and Future Plans

We are actively putting together a plan to re-launch a Chinese version of the Youth Suicide Prevention Programme. Since the children that we will be encouraging to join will be from underprivileged backgrounds, the content will be adapted to suit their needs. I hope that this will form part of the report next year.

We have had a few disappointments. I am sad to report that we were not able to achieve our goal of opening a satellite Centre on Kowloon side. However we will continue to look for funding to obtain the right location that is served by public transport and in a safe area.

This year marks our 35<sup>th</sup> year of hotline service in Hong Kong and we are looking forward to our forthcoming concert to be held in December and hope that we can raise the necessary funds to achieve the Kowloon satellite Centre project.

#### You Our Readers

We are always pleased to receive your feedback, good or bad. Comments and suggestions to help us improve our service to the community are welcome. For any information you need from us, either visit our website: www.samaritans.org.hk or phone the Hotline 2896 0000 or email us at jo@samaritans.org.hk

#### Conclusion

Despite the economic turmoil, I think we have been able to achieve much. However, none of this could be accomplished without the tremendous energy and dedication of our volunteers. As usual I am staggered at how big their hearts are and the amount of time they give in addition to their normal everyday life and work.

My term as Director is up and I will stand down officially on September 20<sup>th</sup> 2009 which is the date of our AGM. I hope I will be able to announce my successor then. My grateful thanks go to Hedriun without whose help, attention to detail and all round knowledge of the organisation I could not have done my job; to Serena and her amazing creativity and capacity for work; to Ashok and the Management committee, who have supported me; to all the directors and leaders; the training team and finally once again to all the remarkable volunteers who have just been wonderful.

#### 2009年度總監報告

我很高興可以向大家匯報過去一年我們取得的推步和成果。

#### "攜手向前" 全球益友會大會

自去年週年會員大會後,十位撒瑪利亞會義工參加了十月二十五日至二十 八日在泰國春武里舉行的全球益友會大會。這次會議由國際益友會指導小 組和撒瑪利亞會泰國分會聯合主辦。

眾多來自亞洲地區的撒瑪利亞會成員組織提供了不少既實際,又富教育意義的工作坊,令人大開眼界。我們也介紹了我們的『防止青少年自殺計劃』,並利用這次上好的機會,與來自亞洲地區十七個國家的義工會面。我們榮幸地邀請到本會創辦人的女兒Felicity Varah Harding女士與會。

#### 第三屆國際防止自殺會太平洋亞洲地區會議

撒瑪利亞會參加了此次在香港舉行的大會。會議由世界衛生組織聯合贊助,國際防止自殺協會和香港大學聯合舉辦,於十月三十一日至十一月三日在香港會議及展覽中心舉行,共有十二名香港地區義工參加。為促進互助互惠,會中我們再次簡介本會的『防止青少年自殺計劃』。

兩次會議分別著重防止自殺熱線服務的不同層面,建樹良多。在泰國舉行的會議集中討論了作為撒瑪利亞會的分支應如何擴大服務層面,提高服務質素。在香港舉行的會議則更多立足於學術層面 — 會議主題為"自殺研究和在亞太地區急劇變化中的預防工作:機與典挑戰"。會議期間,發言者探討防止自殺的切實可行方法。另有表現出色的同行提出了許多頗有別見的想法和意見。欲瞭解更多有關資訊,請前往www.csrp.hku.hk。

#### 糖基

五月十八日,我們熱烈歡迎贊助人特首夫人曾鲍笑薇女士再次駕臨本中 心。當日有三十名義工到中心接待曾太,曾太也和每一位義工熱情交談。 我們簡介自二○○六年曾夫人訪問以來的工作進展。這次訪問氣氛輕鬆, 曾太也顯得對我們的工作十分理解。

#### 捐贈與支持

我們非常感謝所有的捐贈者,特別是那些選擇我們作為他們特定慈善機構的捐贈者。愛心聖誕大行動為我們提供了急需的資金,安裝一個新的電話系統;我們收到的額外資金讓我們能夠在九巴贊助的新界巴士上,製作新的宣傳廣告。額外資金還支付了印刷『自殺者親屬支援小組』的宣傳品。

抬縣比賽慈善基金讓我們能夠完成我們的「寄出心事秘密明信片」計劃。 這項計劃讓弱勢背景的青少年可以在明信片上寫上自己的想法和感受,並 寄給我們。一組特別義工將會以電郵或書面的方式回信,鼓勵他們繼續探 索、談論更多他們無法透露的心聲。

我們的圖書館收到七箱新書,同時也開始為新書分類、編製目錄和處置舊書等極富挑戰的工作。這項工作需要大量時間和精力。所以我特別感謝那 些負責的義工,他們辛勤地工作,把圖書館及時地整理得井井有條,迎接 我們的贊助人到訪。

#### 新標誌

為符合本會服務香港市民的承諾,我們啟用了新的雙語標誌。

#### 新項目

自二○○八年十月我們的中文友助電郵服務正式開展,至二○○九年三月,收到的郵件為數不多。儘管如此,我們將繼續推廣此項服務,希望更多喜歡以中文書寫的人可以受惠。開展「寄出心事秘密明信片」計劃,有助接觸弱勢地區的青少年,讓他們有機會放心說出自己的心事,舒緩絕望情緒。正如我們之前提及,我們的中文電郵小組將會寫信與他們聯絡,試圖探討他們可能不可以和其他人分享的感受和想法。即使非常年幼的兒童都存在自殺念頭,如果沒有正確的引導,後果將不堪設想。截至六月,我們很高興有四間學校作出積極回應,並派出了共一千二百枚明信片。我們現在正陸續收到並回覆這些明信片。

從事防止青少年自殺和促進心理和情緒健康的英國義工組織Papyrus提 供資料,讓我們能為香港青少年設計和撰寫一份小冊子,討論多元化 社會所面臨的問題。我們將會在下一學年分發給學校。

#### 自殺者家屬及親友分享會

另一個重要的新項目是為自殺者家屬及親友而成立的英語分享會。從 今年三月開始,分享會在每月的第一個星期三都會聚會。旨在提供一 個安全、保密的環境,使失去親人的朋友可以分享他們的經歷和感受, 從而相互支援。與會者無須有任何承諾。

#### 防止青少年自殺計劃

計劃由本會與啟勵扶青會和香港外展訓練學校合辦,於二〇〇八年十二 月在五所國際學校中招募了十八名學生。他們在香港外展訓練學校學 習一星期。課程包括八個工作坊,主題涵蓋了自殺、防止自殺、積極 傾聽和如何識別抑鬱症的跡象等課題。結業後,他們還製作了一套電 影短片來展示他們從課程中學到的東西,在多間學校展出,包括了英 皇佐治五世學校和香港澳洲國際學校。我也觀看了這部短片,並為其 活力十足、精妙設計以及高品質留下深刻印象。非常感謝所有參與其 中的義工們,多謝大家。

#### 培訓與官傳

我們繼續在一年內開展三個義工培訓課程,每一課程有七節課,共二 十五小時。有時因為各種原因,我們的義工不得不離開我們,不免令 人惋惜,但我們同時也歡迎新義工加入。

我很高興地向大家宣佈,我們現在已經擁有一個負責外展的核心小組。 他們到學校和老人中心,教授聆聽技巧和如何辨別抑鬱症的徵狀。

#### 推廣工作和會訊

我們製作了一系列新海報用於宣傳本會熱線和電郵服務。這些海報展示了三類容易感受到巨大壓力的人,並以中英文標示"說不出的壓力, 說出來"為宣傳口號。我們獲許將新的宣傳海報發送給所有本港的公 共圖書館,公屋和醫院。

我們的一個義工參與了香港商業電台節目,並講述了什麼促使他成為一名撒瑪利亞會義工。許多聽眾朋友被他的故事感動,並且經熱線與 我們聯絡。不同的報刊也採訪了我們的義工。我們多方面的努力,為 求增加社群對本會服務的認知。

我們的會訊和編輯小組工作繁重卻取得驕人成績,感謝他們為每三個月出版的工作所付出的努力。我還要感謝楊貽搖先生的家人,是他們一直不斷地支持我們,投入所需資金,讓我們會訊工作得以繼續,訊息得以到達各家各戶。我還要衷心感謝那些撒瑪利亞會之友,是他們穿上我們的橙衣參加馬拉松來為熱線做宣傳,並成功募集了捐款。

#### 撒瑪利亞會義工與友會的訪問和活動

撒瑪利亞會香港支會歡迎新加坡地區代表Tan Yoke-Yin於十二月來港訪問。

一月,我們組織了一次文化傳承步行活動,目的地是新界龍躍頭文化徑。義工以及他們的家人和朋友參觀了鄧公祠、天后廟和老圍堡壘。

六月,我們特別安排了一位英語導賞員,帶領本會的義工、家庭成員和朋友參觀 Louis Vuitton在香港藝術館舉行的名為『創意情感』的展覽。

三月,我們很高興可以邀請到姊妹組織香港撒瑪利亞防止自殺會的十五位成員與 我們交流,過程輕鬆愉快,彼此之間因而增進了瞭解。

我們的義工相處和睦,喜於『工作餘暇』相聚,参加"走出辦公室時間"活動, 令人鼓舞。我們已經在藝穗會舉辦了兩次聚會,深受義工們歡迎。所以,我們決 定大約每隔兩個月舉行一次類似聚會。

#### 三十五周年慶祝活動和未來計劃

我們正積極籌備,重新推出中文版的防止青少年自殺計劃。在新計劃中我們希望 家境不太富裕的青少年也能加入活動,活動內容因此也會作出調整,令活動更能 切合他們的需求。我盼望這將成為明年報告的一部分。

我們也有一些遺憾,就是暫時未能實現在九龍設立分部的目標。儘管如此,我們 還會繼續爭取贊助,以開設一個既安全,又交通便利的分部。

今年標誌著我們在香港的熱線服務成立三十五周年,我們期待著即將在十二月舉 行的音樂會,並希望可以籌集到足夠的資金來完成九龍分部這個計劃。

#### 我們的讀者

能夠收到你們的回饋,無論是讚賞還是批評,我們總是十分欣慰。歡迎大家提出 意見和建議,並期望藉此可以有助改進我們的服務。如欲得到更多關於本會的資 訊,請連結到www.samaritans.org.hk或致電熱線電話2896 0000或通過 jo@samaritans.org.hk電郵我們。

#### 結語

儘管經濟動盪,我相信我們已實現了不少目標。可是,沒有義工們的全情投入和無私奉獻,這些都是不可能的。一如既往,我對他們的仁勇心腸和無盡精力,表示讚嘆。

我作為總監的任期已將近結束,我將在二○○九年九月二十日,也就是我們的週年大會上正式卸任。屆時,我希望我可以正式向大家宣佈繼任人選。我要衷心感謝Hedriun,沒有她的幫助,沒有她對細節的關注和對組織的全面瞭解,我無法順利完成我的工作;另外,我還要衷心感謝Serena,感謝她驚人的創造性和工作能力;感謝Ashok以及管理委員會,感謝他們的支援;我還要鄭重感謝所有聯席總監、組長和培訓團隊。而最後,再一次感謝所有的義工,你們無疑是無與偷比的!

# CHAIRMAN'S REPORT 主席報告

#### Chairman's Report 2008-2009

Financial markets across the globe underwent severe stress during the year due to violently receding economies. Some of the very best managed funds and banks went into liquidation and some others got absorbed losing their identities. Governments around the world had to launch concerted efforts by pouring in billions and trillions of dollars to stimulate the economies and to avoid a total melt down of the financial systems.

The impact of this so called financial Tsunami was so widespread that it was difficult to find any organization or individual who was not adversely affected. Some others including a few charity organizations lost everything they had due to frauds involving mind boggling sums.

Although the impact on this part of the world was comparatively much less but it was there and organizations/agencies headed by the best possible brains be it Monetary Authority or Community Chest, everybody lost money. So did we, although we were fortunate that due to some timely action we could control the damage and have since recovered most of what we lost.

The audited financial statement of The Samaritans for the year ended 31<sup>st</sup> March 2009 and auditor's notes on the same are set out on pages 21 to 29 of this Annual Report.

#### Turnover

The statement of income and expenditure is set out on page 23. There was a decline in the turnover of around 32% which decreased from HK\$1,381,472 to HK\$ 935,560 primarily because last year we had received a one off donation from Chief Executive's election fund and also this year there was a decrease in the income and gains from the designated fund on account of reduced dividends and a steep drop in the interest rates.

#### Expenditure

There was a very significant increase in the overall expenditure which increased from HK\$1,171,233 in the year 2007-08 to HK\$3,794,546 during the current financial year resulting in a net deficit of HK\$2,858,986 as compared with a surplus of HK\$210,239 last year (page 23). However, this increased expenditure was primarily because of losses from the designated fund amounting to HK\$2,732,101 (realized and unrealized fair value loss, refer page 28) and not on account of any significant additional overhead expense which in fact increased only marginally from HK\$914,591 last year to HK\$1,062,445 this year. The increase was on account of additional expenses incurred on publicity and advertising to raise awareness about us in the general public, increased expenses on training and also the cost of buying a better quality telephone system for the Centre.

An overall deficit of HK\$2,858, 986 was recorded which although is a very drastic negative change but was solely because of the adverse market conditions. However, it would not have any significant impact on our cash flow and our capability to run our operations as most of this represents paper loss or even wherein we have actually booked the loss the position has improved significantly as mentioned hereunder because of the changes which were undertaken to diversify our portfolio holdings.

#### **Balance Sheet**

Balance sheet is set out on page 22. Our financial position continues to be satisfactory due to timely changes carried out in our portfolio holdings even though the value of our assets had come down appreciably. Although on the date of the balance sheet the assets of the designated fund were less by HK\$2,036,997 from the capital portion of the designated fund (HK\$ 7,273,502) but as on 28<sup>th</sup> August 2009 the shortfall was only HK\$514,318 the value of the assets on that date having improved to HK\$6,759,184. (Note 3 to the Balance Sheet, refer page 27) which is a very significant improvement in this short span of time.

#### Personnel

First and foremost once again our heartfelt thanks go to our dedicated team of volunteers who work round the clock throughout the year with complete sincerity to efficiently maintain our services without any pecuniary benefit whatsoever. And this they do despite severe constraints on their time and energy while coping with ever stressful and fast paced life style in Hong Kong. Those who can, also spare additional numerous hours for training, outreach and other related activities to make this organization expand further and further.

Our Administration Manager Ms. Hedriun Fung continues to perform her duties competently and efficiently. Ms. Serena Wong our Publicity Manager has worked hard throughout the year in close liaison with the director and other volunteers to effectively publicize our activities. Our sincere thanks go to them too.

#### Directorate

Mrs. Liz Chamberlain had been our Director for the past four and a half years now. During her tenure she had devoted all her energy and resources and perhaps all her available time in promoting the cause of Samaritans by being our spokesperson at all available platforms and opportunities. Perhaps having fulfilled what she had stepped in to achieve, she has now decided to step down as Director. Our sincere thanks go to her and her team of co- directors and leaders who had given their best to ensure a continuous growth of this organization.

#### 2008-2009年度主席報告

今年,全球的金融市場都備受經濟蕭條衝擊,哀鴻遍野。連一些頂尖基金及銀行都步向破產之路,還 有一些企業遭到收購,其本身品牌亦不復存在。世界各國的政府要聯手合作,向經濟注入上萬億資金 以避免金融系統全面崩潰。

今次的所謂「金融海嘯」牽連甚廣,幾乎沒有任何個人或機構可以獨善其身。更有一些包括慈善機構 在內的不幸者,在金融騙案中盡失所有,損失金額令人瞠目結舌。

儘管我們身處的世界這一角落所受的衝擊已相對輕微,但損傷依然難免。即使由最頂尖人才管理的機構如金管局及公益金等,業績亦乏善足陳。在人人皆輸的情況下,我們亦不能倖免。幸運的是,我們及時採取了步驟減低損失,至今更已收復大部份失地。

撒瑪利亞會截至2009年3月31日的經審核財務表刊載於本年刊的第21至29頁。

#### 收入

收支報表刊載於第23頁。年內收入錄得32%的減幅,由1,381,472港元下降至935,560港元,主要由於我們在上年度獲得行政長官競選基金的一筆過捐款,而在今年度來自指定基金的派息減少及利率急跌,因而造成收入下降。

#### 支出

今年的總支出大幅增長。由2007-08年度的1,171,233港元急升至本年度的3,794,546港元,並因而錄得 淨逆差2,858,986港元,而去年則有210,239港元盈餘(參見第23頁)。不過,支出急增主要源自指定基金 高達2,732,101港元的損失傳出及未售出公平價損失。參見第28頁),而非因任何營運開支上的大增。事 實上營運開支僅由去年的914,591港元輕微增加至1,062,445港元。增加的支出主要用於提高公眾對我們 認識的宣傳與廣告、更高的培訓開支、以及為中心進行電話系統升級的成本。

總額高達2,858,986港元的逆差固然強差人意,不過全因市場環境逆轉所致。我們的現金流及日常營運均未受到太大影響,因為大部份均只是賬面上的損失。即使虧損已經入賬,現時損失亦已大幅減少,皆因如下文所述,我們已改變策略,分散投資組合。

#### 資產負債表

資產負債表刊載於第22頁。由於及時改變了投資組合,因此儘管資產總值有所下跌,我們的財務狀況仍然良好。儘管按資產負債表截止日期計,指定基金中的資本部份(7,273,502港元)減值了2,036,997港元;但截至2009年8月28日為止,減值數額僅為514,318港元,能在如此短時間內,資產總值回升至6,759,184港元(資產負債表附註3,參見第27頁),實屬難得。

#### 人力資源

首先我們要衷心感謝撒瑪利亞會的義工團隊。他們無私地奉獻個人時間和精力,全天候協助會方提供 服務。儘管香港的生活節奏緊迫,壓力巨大,他們仍然在百忙中抽空幫助我們。很多義工更付出額外 時間推行培訓工作、外展服務及相關活動,令我們的服務得以不斷擴展。

行政經理馮淑儀女士賢惠能幹,確保中心運作順暢。而宣傳及籌募經理黃思詩女士則繼續與總監及其 他義工緊密合作,致力向公眾宣傳及推廣本會服務。會方對二人衷心感謝。

#### 總監職務

Liz Chamberlain太太出任本會總監已凡四年半。在任期間她盡心盡力,幾乎把所有時間灌注於會務,充分運用所有場合及機會,以發言人身分宣揚撒瑪利亞會的宗旨。Liz Chamberlain太太限見會務已上軌道,今冀功成身退,從總監一職羹來。Liz Chamberlain太太及其一眾資深助理總監及領導人始終如一,為本會發展竭盡所能,我們謹在此致以衷心感謝。

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE SAMARITANS

We have audited the financial statements of The Samaritans set out on pages 22 to 29, which comprise the balance sheet as at 31 March 2009, the statement of income and expenditure, the statement of changes in funds and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

#### Management Committee's responsibility for the financial statements

The Management Committee of The Samaritans is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and the true and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinior

In our opinion, the financial statements give a true and fair view of the state of the Samaritans affairs as at 31 March 2009 and of its deficit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

## Auditor's and Financial Report

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2009

The Samaritans was established to offer emotional support to those passing through crisis and in imminent danger of taking their own lives.

The address of its registered office is Flat B, 18/F, Block F, 3 Lok Man Road, Chai Wan, Hong Kong.

These financial statements are presented in Hong Kong dollars unless otherwise stated. These financial statements have been approved for issue by the Management Committee on 04 SEP 2009

#### BASIS OF PREPARATION AND FUNDAMENTAL ACCOUNTING CONCEPT

The financial statements of The Samaritans have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRS"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets at fair value through profit or loss, which are carried at fair value.

The preparation of financial statements in conformity with HKFRS requires the use of certain critical accounting estimates and assumptions. It also requires management to exercise its judgment in the process of applying The Samaritans' accounting policies. In the opinion of the Management Committee, there are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

The Samaritans has applied the new and revised HKFRS issued by the Hong Kong Institute of the Certified Public Accountants ("HKICPA") that are first effective or available for adoption for the accounting periods beginning on or after 1 January 2008. A summary of the changes in accounting policies resulting from The Samaritans' application of these HKFRS is set out in note 2.2.

The financial statements are presented in Hong Kong dollars, which is the same as the functional currency of the Company.

#### IMPACT OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Samaritans has applied the following amendments and interpretations ("new HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") which are or have become effective.

HKAS 39 & HKFRS 7 (Amendments) Reclassification of Financial Assets HKFRS 2: Group and Treasury Share Transactions Service Concession Arrangements HKAS 19 - The Limit on a Defined Benefit Assets, HK(IFRIC)-Int 11 HK(IFRIC)-Int 12 HK(IFRIC)-Int 14 im Funding Requirements and their Interaction

The application of the new HKFRSs had no material effect on how the results and financial position for the current or prior accounting periods have been prepared and presented.

The Company has not early applied the following new and revised standards, amendments or interpretations that have been issued but are not yet effective.

#### 2.4 SIGNIFICANT ACCOUNTING POLICIES

#### (a) Plant and equipment

Plant and equipment are stated at cost less subsequent depreciation and impairment losses. Expenditure incurred after items of plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of plant and equipment, and where the cost of the item can be measured reliably, the expenditure is capitalized as an additional cost of that asset or as a replacement.

Depreciation is provided to write off the cost of items of plant and equipment over their estimated useful lives and after taking into account of their estimated residual value, using the straight-line method, as follows:

Leasehold improvements lease term or 50%, whichever is shorter

Office equipment 20

The assets' residual values and useful lives are revalued, and adjusted of appropriate at each balance sheet date.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in income statement in the year in which the item is derecognised.

#### (b) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If such indication exits, the Company makes an estimate of the asset's recoverable amount.

The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. In assessing value in use, the estimate future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. Where an asset does not generate cash inflows largely independent of those from other assets, the recoverable amount is determined for the smallest group of assets that generate cash inflows independently.

An impairment loss is recognised in the income statement whenever the carrying amount of assets exceeds its recoverable amount. The impairment loss is reversed if there has been a favorable change in the estimates. A reversal of the impairment loss is limited to the asset's carrying amount that would have been determined had no impairment loss been recognised in prior years. The reversal of the impairment loss is credited to the income statement in the year in which it arises.

#### (c) Financial assets at fair value through profit or loss

Financial assets are classified in this category if they are designated at inception by the Management Committee as financial assets at fair value through profit or loss. They are included in non-current assets unless the Management Committee intends to dispose of the investment within 12 months of the balance sheet date.

Regular purchases and sales of financial assets at fair value through profit or loss are recognised on the trade-date - the date on which The Samaritans commits to purchase or sell the asset. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of income and expenditure. These financial assets are subsequently measured at fair value, and are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and The Samaritans has transferred substantially all risks and rewards of ownership.

Gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss category are presented in the statement of income and expenditure in the period in which they arise.

The fair value of listed investments is based on bid price at the balance sheet date. The Samaritans assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired.

#### (d) Cash and cash equivalents

Cash and cash equivalents comprise cash and bank balances that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition.

#### (e) Retirement benefit cost

The Company operates a mandatory provident fund scheme (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance for its employees in Hong Kong. The assets of the MPF Scheme are held separately from those of the Company in an independently administered fund. Contributions are made based on a percentage of the employees' basic salaries and are charged to the income statement as and when the contributions fall due.

#### (f) Revenue recognition

Revenue is recognised as follows:

Donations are recognised when received or when the right to receive payment is established.

#### (b) Dividend income

Dividend income is recognised when the right to receive payment is established.

#### (c) Allocation from Community Chest, membership income and sundry income

Allocation from Community Chest, membership income and sundry income are recognised on an accruals basis.

### (d) Interest income

Interest income is recognised on a time proportion basis using the effective interest method.

#### (g) Financial risk management

The Samaritans' activities do not expose it to significant financials risks (including credit risk, interest rate risk and liquidity risk). The Samaritans is exposed to equity securities price risk because of the listed shares held under the Designated Fund. The Samaritans minimises equity security price risk by only investing in constituent shares in the Hang Seng Index and the Tracker Fund.

The Designated Fund was established by a legacy. It is the intention of the Management Committee that the capital portion of the legacy be made available to the fund for the purchase of business premises should the lease of the current premises leased from the Government Property Agency not be renewed. Income generated from the legacy is used to cover recurring expenditure (note 5).

	5,236,505	8,185,360

The capital portion of the Designated Fund as at 31 March 2009 was HK\$7,273,502 as shown in the financial statements. The assets of the designated fund were HK\$2,036,997 smaller than the capital portion of Designated Fund. The value of the assets in the Designated Fund was HK\$6,759,184 on 28 August 2009, the latest practicable date in the compilation of the relevant valuation information of the listed securities for the purpose of the financial statements, which was HK\$514,318 smaller than the capital portion of Designated Fund.

In the opinion of the Management Committee, the difference between the capital portion of and the values of the assets in the Designated Fund was not material as at 28 August 2009, the latest practicable date in the compilation of the relevant valuation information of the listed securities for the purpose of the financial statements.

#### 8. FINANCIAL RISK MANAGEMENT

The accounting policy for financial risk management set out in note 2.4(g) to the financial statements has covered The Samaritans' policy in the management of financial risks.

The Samaritans are exposed to various financial risks which are discussed below:

#### Credit risk

Credit risk is the risk that a counterparty will be unable to pay the amounts in full when due. The Samaritans' credit risk is attributed to dividends receivable and donations receivable. Dividends receivable relate to the listed shares in the Designated Fund and the associated recoverability risk is immaterial. Donations receivables are short term in nature and the associated recoverability risk is also immaterial.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument fluctuates due to changes in market interest rate. The Samaritan's interest rate risk relates primarily to the amount of interest income from short-term bank deposits, which is not material to the income and expenditure account. The Samaritans monitors the interest rate risk on a continuous basis.

#### Liquidity risk

The liquidity risk is arising from the operation for the cash management including expected future cash demands. The Samaritans minimizes liquidity risk by maintaining sufficient cash to meet current and expected liquidity so as to enable it to meet its liabilities as when the future.

#### Equity security price risk

The Samaritans exposes to equity price changes arising from equity investments classified as financial assets at fair value through profit or loss. The Samaritans' listed shares are constituent shares in the Hang Seng Index and the Tracker Fund.
